

## Disability Code Crosswalk

### VISUAL IMPAIRMENTS

#### Blindness, both eyes, no light perception, due to:

|   | IMPAIRMENT<br>CODE | SOURCE<br>CODE |
|---|--------------------|----------------|
| cataract                                  | 01                 | 30             |
| glaucoma                                  | 01                 | 30             |
| all other diseases                        | 01                 | 30             |
| congenital condition                      | 01                 | 13             |
| accident, poisoning, exposure or injury   | 01                 | 01             |
| ill-defined, unspecified or unknown cause | 01                 | 00             |

#### Blindness, both eyes (with correction not more than 20/200 in better eye or limitation in field within 20 degrees, but not Codes 100 - 109), due to:

|   |    |    |
|---|----|----|
| cataract                                  | 01 | 30 |
| glaucoma                                  | 01 | 30 |
| all other diseases                        | 01 | 30 |
| congenital condition                      | 01 | 13 |
| accident, poisoning, exposure or injury   | 01 | 01 |
| ill-defined, unspecified or unknown cause | 01 | 00 |

#### Blindness, one eye, other eye defective (better eye with correction less than 20/60, but better than 20/200, or corresponding loss in visual field), due to:

|   |    |    |
|---|----|----|
| cataract                                  | 02 | 30 |
| glaucoma                                  | 02 | 30 |
| all other diseases                        | 02 | 30 |
| congenital condition                      | 02 | 13 |
| accident, poisoning, exposure or injury   | 02 | 01 |
| ill-defined, unspecified or unknown cause | 02 | 00 |

#### Blindness, one eye, other eye good, due to:

|   |    |    |
|---|----|----|
| cataract                                  | 02 | 30 |
| glaucoma                                  | 02 | 30 |
| all other diseases                        | 02 | 30 |
| congenital condition                      | 02 | 13 |
| accident, poisoning, exposure or injury   | 02 | 01 |
| ill-defined, unspecified or unknown cause | 02 | 00 |

#### Other visual impairments, due to:

|   |    |    |
|---|----|----|
| cataract                                  | 02 | 30 |
| glaucoma                                  | 02 | 30 |
| all other diseases                        | 02 | 30 |
| congenital condition                      | 02 | 13 |
| accident, poisoning, exposure or injury   | 02 | 01 |
| ill-defined, unspecified or unknown cause | 02 | 00 |
